Pigeon Lake

Look for the Sunflower
Gnome who will be sitting
atop Exhale's mainsail
and supervising the
event!

Come join us for a night (or two) at Pigeon Lake!

We will anchor in a good spot to gather - TBD.

Hail us on Channel 67 or call Patti Edwards (616.402.4753)

as you get close for further information.

**Let's see if we can get enough boats to
complete the Sunflower this time!**

**If we get a good number signed up, we can
arrange for an aerial shot of our formation.**

**Land cruisers can contact to see if a dinghy
can pick you up at the boat launch to join us.**

**We can gather and sail as a group at a time TBD or sail
on your own and join up with other GRSC members attending.**

Some of us plan to sail down

**Friday, August 21 and find a good spot for our Sunflower,
spending a couple of nights on Pigeon Lake.**

Bring an hors d'oeuvres to share for boat hopping later!

Sign up for the Sunflower by contacting Patti Edwards:
