

GRSC 2026 Whitehall Weekend

Friday, July 24-Sunday, July 26

Come join us for a sail and to spend the weekend in the beautiful town of Whitehall!

We will rally off the Grand Haven pier to begin our sail to Whitehall if you want to go as a group, or sail up when you can. Time TBD. Fly your GRSC burgee!

Call the White Lake Municipal Marina 1-231-894-9689 (or register at midnrreservations.com and note the 5' draft is not accurate—the City has assured me the slips are dredged 6'-9') to make your slip reservations there. As some people do not trust the depth at the City Marina, the other option is Crosswinds Marina (231-894-4549/crosswindmarine.com) which is also within walking distance of town.

For our land cruisers, we will plan to have happy hour on Friday evening with appetizers on our boats, so cruise on up and join us for a tottie and the sunset!

Saturday evening we will plan to have dinner at the
Goodrich Park Pavillion

(the park just behind the White Lake Marina) at 5:30 p.m.

We will be ordering pizzas, so please sign up and specify any preferences/nutritional requirements by contacting Stacy Lounsbury at 616.498.1555 or email her at stacyjlounsbury@gmail.com. Feel free to bring a salad or dessert if you feel so inspired. BYOB, being discreet if it contains alcohol. This is a City park and we are not sure what the ordinances are regarding alcohol.

Looking forward to seeing lots of GRSC faces and boats at this event!
Don't forget to invite new members/those without boats to crew with you!
And new members/those without boats, don't be shy—ask!

Power boats are welcome to join as well!!
